Hi Emma,
Just now saw your email (I'm afraid that I should check my emails more frequently. Yes, of course this second story proposal is fine with me!
Best,
Renee

Hi Samuel, please forward this as needed.
Hi,
I am Brad Hepler, Samuel and Emebet's across the street neighbour. They shared their idea of adding a first floor to their garage space with us. I just wanted to say we do not have any concerns with this addition and support their effort.
